Introducing our S.P.A.R.K.  
Keynote Speaker

**Jon Zibbell, PhD.**

Jon is a senior scientist in the Center for Health Behavior and Implementation Science at RTI International. He is a behavioral scientist with 25 years of field experience conducting ethnographic and epidemiological research with people who inject drugs. He has published extensively on the impact of drug markets and drug consumption on public health and holds a visiting appointment in the Department of Anthropology at Emory University.
